

# Supplier ESG Program Resource Library

Welcome to the Supplier ESG Program Resource Library. This collection of resources is designed to provide suppliers with comprehensive information and training on Ingersoll Rand's Supplier ESG Program. The library includes essential documents, training materials, case studies, and additional learning resources. These resources cover specific ESG topics, best practices, and detailed information on our assessment and development processes. Our goal is to support suppliers in understanding expectations, improving ESG performance, and contributing to our shared sustainability goals.

## Supplier ESG Program Overview

- The Supplier ESG Program integrates supplier screenings, assessments, and development initiatives to enhance ESG performance. These slides provide an overview of the Supplier ESG program and what is expected from suppliers.
